Who are we and what do we do?

We are a firm of independent financial advisers and have been helping our clients to meet their financial goals since 1968. As Chartered Financial Planners and Wealth Managers, we believe in establishing and maintaining a long term relationship with our clients.

Graham Carter & Co is authorised and regulated by the Financial Conduct Authority (FCA). The FCA is the independent regulator of financial services in the United Kingdom. Graham Carter & Co is entered on the Financial Services Register (www.fca.org.uk/register) under reference 154309.

What can we do for you?

We can act on your behalf for the purpose of arranging and advising on the following:

- **Investments & Pensions, for example an ISA or Personal Pension Plan.**
- **Personal & Family Protection, for example a Life Assurance or Critical Illness Plan.**

For all the services described above we will complete a detailed fact find so we can understand your circumstances, specific needs, and objectives. Following our research, we will provide a personal recommendation(s) for you to consider. With your agreement we will then implement our recommendation(s) and arrange any products on your behalf.

Once your financial plans are in place it is important to keep them under review. Subject to the type of services you require from us, we can continue to act on your behalf through our ongoing service proposition. Alternatively, for those who prefer a more transactional or ad-hoc 'pay as you go' service, we are also happy to provide our services as and when you need them.

Further details about these and other related services we provide are contained in the following pages. This also confirms the typical cost of our services and how we get paid for them.
